

## About Us

*We are a young, enthusiastic company established in 2007 with the aim of becoming a "One-Stop Shop" for IT supplies and services. Since our inception, our objective has always been to offer our clients a single point of reference for all their Information Technology needs.*

*Besides the traditional IT products and services, today at Infotech we specialise in Point of Sale systems including Fiscal Cash Registers, as well as Security Systems for both residential and commercial premises.*

*With our vast experience, we offer peace of mind, along with innovative, reliable and reputable software and hardware, always backed by our exceptional after-sales service.*

**We provide a free visit on site along with a free quotation!**

## Mobile Applications

Aera Restaurant mobile app allows the order to be sent directly from the table. The Aera Analytics app allows monitoring of sales and provides reports in real time from a tablet or smartphone.

## In partnership with Aera, Infotech is always on the forefront of Innovation

### Interactive Touch Screen Kiosk

Aera Totem is our software for Self-ordering and Self-checkout; by means of a touch-screen kiosk, it enables the customer not only to place the order, but also to checkout by paying both by card or cash.

### Cash Handling Machines

Automatic cash handling machines accept a cash payment and deliver the change securely, completely eliminating mistakes and speeding up the customer transaction and the end of day procedures.

### Scale Management

Aera Restaurant can manage an electronic scale so that product weight can be inserted directly from the kitchen.
